EVALUATIONS

*Attendee session evaluations of Dr. McKnight's presentations at the
SDE 2011 Midwest Conference on Differentiated Instruction:*

Reaching & Teaching Reluctant Readers in Your Urban... (Gr. 6-12 - Intro)

"Awesome and full of recent research and data! Very enjoyable!!!"

Integrating the Multiple Intelligences in Your Writing... (Gr. 6-12 - Intro)

"Katherine McKnight is a very thoughtful presenter who packed a lot into her presentation. Access to her website is generous and thoughtful."

Using Homework to Promote Critical Thinking (Gr. 6-12 - Intro)

"Katherine's presentation was packed with information. Her offering information linked to her website is an added plus to her presentations..."

"The speaker was lively and energetic."

"I like Katie. She's got great ideas and tends to give us lots of them in the 75 minutes she is given. Good handouts."

Content-Area Literacy Strategies (Gr. 6-12 - Next Steps)

"She is AMAZING!!!! She really knows how to get kids interested in reading and to improve literacy not just in an English classroom but in all classrooms. She gave activities and resources that could easily be applied in the classroom. She is definitely my new idol in education."

"Katie's strategies were relevant and useful. Her presentation style was excellent. I felt like I could relate to her."

Teaching the Classics in an Inclusive Classroom (Gr. 6-12 - ALL)

"Her presentation was so wonderful that I even bought the book that went along with it. By the third day of the conference I had sticky notes all throughout it for the activities I am going to do and that I'm going to share with my staff. Anyone who has students struggling with reading and making it fun and relevant should see Katie McKnight and buy her book!"

"Katherine did a nice job and you can tell she enjoyed talking classics. A narrow topic but the strategies can be used universally."

*Attendee session evaluations of Dr. McKnight's presentations at the
SDE 2011 National Conference on Differentiated Instruction:*

Teaching Writing with Technology: Blogs, Wikis & More (Gr. 6-12 - Intro)

"Fantastic information presented in professional format... well-done!"

"This instructor was engaging and provided useful information that can readily be applied to the classroom."

75 Classroom Apps in a Snap! (Gr. 6-12 - All)

"Amazing tips! Very engaging style."

"Awesome! Presenter was excellent and her resources were ground breaking in the area of technology."

Homework That Makes Students Think (Gr. 6-12 - Intro)

"Although I teach younger grades this really helped me!"

"Dr. McKnight was a wonderful speaker and presented awesome information. She was by far one of the most compelling presenters at this conference."
